No. 2:20-CV-2464-AC

STIPULATION AND ~~PROPOSED~~ ORDER FOR  
EXTENSION TO FILE DEFENDANT'S  
OPPOSITION TO PLAINTIFF'S MOTION FOR  
SUMMARY JUDGMENT

20 The parties stipulate through counsel that Defendant, the Commissioner of Social Security  
21 (the "Commissioner"), shall have an extension of time to file her opposition to Plaintiff's Motion  
22 for Summary Judgment in this case. In support of this request, the Commissioner respectfully  
23 states as follows:

- 24 1. Primary responsibility for handling this case has been delegated to the Office of  
25 the Regional Chief Counsel, Region IX, in San Francisco, California (the "Region IX Office").  
26 2. Defendant's response to Plaintiff's opening brief is currently due December 27,  
27 2021. Defendant has not previously requested an extension of time for this deadline.  
28

1           3.       The Region IX Office currently handles all district and circuit court litigation  
2 involving the Social Security program arising in Arizona, California, Hawai‘i, Nevada, and  
3 Guam.

4           4.       The Region IX Office employs 44 staff attorneys, of whom 30 are actively  
5 handling civil litigation involving the Social Security program in the eight assigned jurisdictions.  
6 Most of the attorneys who handle program litigation cases have additional responsibilities, such  
7 as litigating in other practice areas described below, acting as Jurisdictional leads, reviewing the  
8 work product of junior attorneys, conducting trainings, and participating in national workgroups.  
9 In addition, because of attorneys taking unexpected leave or resigning, the Region IX Office has  
10 had to re-assign dozens of cases and substitute in new counsel who have had to absorb these re-  
11 assigned cases into their existing caseloads.

12           5.       As of December 8, 2021, the Region IX Office has 277 district court briefs due in  
13 the next thirty days in the jurisdictions it handles. In addition, the Region IX Office has 12  
14 appellate cases pending for briefing.

15           6.       In addition to this “program” litigation, the 30 staff attorneys in the Region IX  
16 Office maintain other workload responsibilities, with most of them dedicating 40 percent or more  
17 of their time to these workloads. The Region IX Office provides a full range of legal services as  
18 counsel for the Social Security Administration, in a region that covers four states (including the  
19 most populous state in the nation) and three territories. These other workloads include  
20 employment litigation; civil rights investigations; bankruptcy matters; and requests for legal  
21 advice on wide-ranging topics, including employee conduct and performance, reasonable  
22 accommodation, hostile work environment, ethics, Privacy Act and disclosure, torts, property,  
23 and contracts.

24           7.       The undersigned attorney has 15 briefs due in district court cases over the next  
25 thirty days, in addition to managing this office’s legal opinion and advice workgroup, which  
26 currently has 20 pending legal opinion requests and advice for guidance. Additionally, she will be  
27 on pre-planned leave for the last two weeks of December, 2021.

8. Due to the volume of the overall workload within the Region IX Office, neither the undersigned attorney nor another attorney in the Region IX Office anticipate being able to complete briefing by the current due date of December 27, 2021. Therefore, Defendant seeks an extension of 60 days, until February 25, 2022 to respond to Plaintiff's motion for summary judgment.

9. This request is made in good faith and is not intended to delay the proceedings in this matter.

WHEREFORE, Defendant requests until February 25, 2022, to file her opposition to Plaintiff's motion for summary judgment.

Respectfully submitted,
